Dear Mr. Grant:

Re: Full-Time Leaves of Absence

Please be advised that at today's membership meeting Ray Galbraith (Library, Cataloguing) was elected to the position of Local Secretary-Treasurer, a full-time paid position. In accordance with article 7.02, we hereby give a month's notice that he will be taking one year's leave of absence commencing January 2, 1980.

Also please be advised that Wendy Bice was elected to the position of Union Co-ordinator, and accordingly will be beginning a six month leave of absence effective the same date. Although Ms. Bice is currently working in a temporary position which terminates at the end of December, under the terms of article 7.02 she does, of course, accumulate seniority during her leave.

Yours truly,

Michelle McCaughran  
Union Co-ordinator
