

A.U.C.E. PROVINCIAL

June 9, 1978.

United Fishermen & Allied Workers'
Union,
138 East Cordova,
Vancouver, B.C.

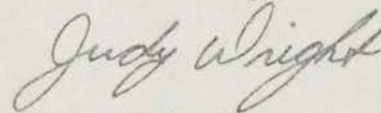

Dear Brothers and Sisters,

At our union's annual convention, a motion was passed denouncing the Federal Government's attack on your Union through the Combines Investigations Branch, and protesting the legal charges laid against members of your union. We support the right of fishermen to collective bargaining under both the B.C. and Federal labour codes.

Enclosed you will find a cheque for \$100.00 as our contribution to your defense fund. We wish it could be more, but we are a small independent union with limited resources.

We wish you all success in your current struggles.

In solidarity,

Judy Wright,
Provincial Secretary-Treasurer,
for and on behalf of A.U.C.E.
