

Indian Sheephams alias Jack } I left Pemberton Meadows about ten of clock  
being duly sworn said } on Thursday, I got here about noon of the  
as follows. }  
same day. Before I came I saw smoke here. On my arrival  
here there was no ~~house~~ <sup>house</sup> but there was smoke and a little  
of the ruins burning. I then tied my horse and shouted  
Tom Poole. I then went to the back of the house and saw  
the body of Tom Poole lying in the cellar and thought - his  
two children lay one on each side of him, When I examined  
the house and saw the bodies I then started for Anderson Lake

When I got to the lake I told my friends what had  
happened. - The Indians blew a horn for the Tzee who was  
working on the other side of the river. The Tzee came before  
it was dark and told me to go to Lilloret. I then started  
from Anderson Lake that evening and got to the end of the  
Lake before morning. I went in a Canoe. I went without delay  
in the same Canoe across Seaton Lake and then started on  
foot to Tesch's house. Bill, who was with me told Tesch  
about Tom Poole's fate. ~~Jack~~ <sup>Charlie</sup> and Bill were with me all  
the way. I seen no man from once I started until I got  
to Anderson Lake
