Mr. L. Kempff,  
Consul General for Germany.  
MONTREAL, P.Q.

January 3, 1934.

Dear Sir :-

We wish to return to Chemnitz, Germany,  
a defective Clutch and Reverse Gear; also one defective  
Air Cyclinder, for a Diesel Engine.

These parts were installed on a vessel  
and proved defective, and we have the authority of the  
shippers Messrs. Junkers-Dieselkraftmaschinen, Chemnitz, to  
return them for examination.

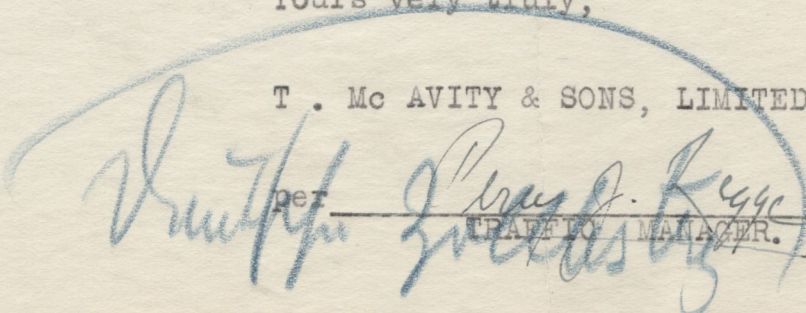

Will you kindly inform us by return mail,  
just what procedure is necessary, and whether any special  
documents are required.

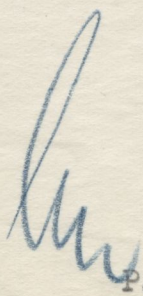

We will ship them direct from Saint John  
to either Bremen or Hamburg, whichever is most suitable.

Your advice will be appreciated.

Yours very truly,

T. Mc AVITY & SONS, LIMITED.
