Re: Executive Meeting - January 12, 1987

It is crucial that you attend the January 12th Executive Meeting for the following reasons:

- a) The yearly business membership meeting which is scheduled for February 2, 1987, cannot be changed.
- b) The budget has to be approved at the February membership meeting and has to be approved at the Executive level.
- c) We need time to prepare the agenda and attachments, have it printed and mailed to our members.

Will you notify Sally if you cannot attend the Executive Meeting next week?
