Dear Dara,

Enclosed is a copy of our latest contract and an old issue of our newsletter which you may find interesting. There are approximately 1300 members in our local of which somewhere in the neighborhood of 90% are women. Our general philosophy has been to raise the standard of working conditions and wages for our members with special emphasis on removing discrepancies due to sexual discrimination. We have been held back in the latter area thanks to AIB.

May I suggest, if you have not already done so, that you also contact the Service Office & Retail Workers Union (SORWUC) of Canada, #1114, 207 W. Hastings, Vancouver and the A.U.C.E. Provincial, #1113, 207 W. Hastings, Vancouver.

Sincerely,

Jay Hirabayashi
