John Cooper Robinson collection – Maps of Japan

Canadian Jurisdiction – Central Japan

Identifier: RBSC-ARC-1757-TX-0010

Located in: Box 07

Level of description: Item

Date: 1887-[1920]

Description: This large fabric map of Japan is composed of a handmade, drawn map and a published, printed map sewn together. The top left corner of the entire map is handmade and depicts the municipalities of Niigata, Naganu, Gifu, and Aichi with their area size, population, and capital. The remainder of the map was professionally printed and published by A.B.C.F.M. in 1887.

Nagoya

Identifier: RBSC-ARC-1757-TX-0011

Located in: Box 07

Level of description: Item

Date: [1890-1920?]

Description: This map is written entirely in Japanese and depicts the city of Nagoya.

Nagoya Topographical Survey

Identifier: RBSC-ARC-1757-TX-0012

Located in: Box 07

Level of description: Item

Date: 1891

Description: This geological survey map of Japan was created by M. Okawa.

[Handmade Map]

Identifier: RBSC-ARC-1757-TX-0013

Located in: Box 07

Level of description: Item

Date: [1890-1920?]

Description: This handmade map of Japan features primarily the regions of the proposed Canadian jurisdiction.

Mission Map of Japan

Identifier: RBSC-ARC-1757-TX-0014

Located in: Box 07

Level of description: Item

Date: 1908-1910

Description: This fold out map of Japan, that folds back in itself look like a book, was compiled by H.M. Landis and used by Robinson in 1910. There are annotations in blue marker by Robinson around the central-western portion of Japan outlining the proposed Canadian jurisdiction; there are also annotation in silver marker outlining the divisions between North and South Tokyo and Osaka.

Map of Japan, From Latest Official Sources

Identifier: RBSC-ARC-1757-TX-0015

Located in: Box 07

Level of description: File

Date: 1909

Description: This map of Japan was composed by the Young Peoples Missionary Movement of the United States and Canada. Robinson has annotated specific portions of the map with either a black full line or black dotted lines. The inscription at the top of the map reads: "heavy black lines indicate the boundaries of the proposed Canadian jurisdiction; dotted lines show the division between N. & S. Tokyo and Kyoto-Osaka". There is one map made of a thicker cardboard material and three additional copies of the map on paper; all maps have the same annotations around the geographic areas and inscription on top.

The Arctic Regions

Identifier: RBSC-ARC-1757-TX-0016

Located in: Box 07

Level of description: Item

Date: 1925

Description: This map was made by the National Geographic Society for the National Geographic Magazine. The map features geographic features as well as various discoveries made by explorers in the northernmost arctic region of the world.
